- Technical drawing of a cable assembly. The drawing shows a cross-section of a cable with a circular end. Dimensions are provided in millimeters (mm): 22.6 (total length), 10.7 (length of the circular end), 5 (thickness of the circular end), 20 (length of the cable body), and 50 (length of the cable body). The circular end is labeled "测温区为端子背面" (Temperature measurement area is the back of the terminal). The cable body is labeled "线缆长度" (Cable length). The drawing also shows a cross-section of the cable body with a diameter of ϕ and a length of 20 mm. The cable body is shown with a red and black striped pattern.
